

**EUROPEAN  
PARKING CARD  
FOR PEOPLE WITH  
DISABILITIES**

**HOW, WHEN AND WHERE TO  
USE IT IN 29 COUNTRIES**

The **AA** Motoring Trust

## INTRODUCTION

The EU Model Parking Card for people with disabilities has been adopted across Europe. Your Parking Card entitles you to parking concessions in 29 European countries.

This leaflet describes what the concessions are – where you can park, where you can't, and the different parking signs to look out for.

Always read the concession details for the country you are visiting and be sure to carry a copy for reference.

Pages 33 to 38 explain to police and parking attendants in their own language that as a foreign visitor you are entitled to the same parking concessions as disabled residents.

Display the page relevant to the country you are visiting on your dashboard **with your Parking Card**.

**IF YOU ARE IN ANY DOUBT ABOUT YOUR RIGHTS, DON'T PARK**

## EUROPEAN TRAFFIC SIGNS: PARKING, WAITING AND STOPPING

Parking.

Waiting prohibited. In some countries you may be allowed to park for a limited amount of time, providing you don't cause an obstruction.

Waiting prohibited on odd number dates.

Waiting prohibited on even number dates.

No stopping. You must never park on roads where stopping is prohibited.

The basic signs are the red and blue roundels which are common to all countries.

In some places waiting is permitted on alternate sides of the road. The signs above show if the change is made daily.

If a different form of alternation applies, the numerals I and II are replaced by the appropriate dates; eg, 1-15 and 16-31 if the change is made on the 1st and 16th day of the month.

Plates may be mounted beneath any of the above signs to give details of the times when restrictions are in force, any exemptions for certain classes of traffic, and the length of road over which the restriction extends.

When the length of time vehicles may wait is limited, this may be stated on an additional plate or on the lower part of the red circle on a prohibitory sign.

If you are in doubt always check locally.

## GENERAL ADVICE

The 29 countries featured in this leaflet recognise the Blue Badge – the European Community standardised parking card for people with disabilities. These countries offer visitors the same parking entitlements as local Blue Badge holders.

Each country has its own scheme, however, so you should always be careful about where and when you park.

Some countries allow Blue Badge holders to park on roads where parking is normally prohibited. Some allow free parking in car parks, or at parking meters and pay and display, or there may be no time limits. Other countries may not be so generous, and there may be local and regional differences.

Our best advice is to exercise caution when you park, and to make enquiries locally, if possible. You will find that most people are helpful, and knowing you are in the clear will give you peace of mind.

### HERE ARE SOME DO'S AND DON'TS TO HELP YOU:

Do check carefully what the parking signs say.

Do display your Parking Card, display the "Show Your Rights" part of the booklet on the dashboard and set your time disc.

Don't park where your car would cause an obstruction or be a danger to other road users - on a narrow road, for example, or near a pedestrian crossings, a school entrance or a junction.

Don't be afraid to ask about any local restrictions or limitations that may apply.

**YOU SHOULD NOT RELY ON YOUR PARKING CARD IF  
YOU ARE IN ANY DOUBT ABOUT YOUR RIGHTS.**
